

TOUR NOTE

During my visit to Kulai RF extension ADC Village on 20-11-2009, some irregularities were found to be committed by Sri Gopinath Sharma. For example the work was provided to Sri Jobang Roy Reang (job card no.TR-04001018004/12) through muster roll No.77284, 77185, 49018, 49030, 49433 & 49409 but on comparison of signatures of the payee in these muster rolls, it was found that these were not matching.

Similarly, work order No.F.2(22)-KRF/VC/ABS/NREGP/2009-10/267-271 dt. 17-11-2009 was issued in favour of the Implementing Officer Sri Lalram Kunjakaka, GRS by the Chairman, Village Committee and work has also been started but it is not known to the I/O. One of the member also reported that no meeting of Village Committee has been called since 2006 except once to prepare action plan. The locals also complained that the work has not been provided at Masuraipara for last 4-5months.

You are requested to constitute a team having Panchayet Extension Officer, one Technical Assistant and such other officer as you may deem fit to scrutinize records of the Panchayet thoroughly and submit report on irregularities committed in Panchayet. The report to be submitted within **15 days**.

You should also ensure that all deserving families demanding work, are provided the same within 15 days.

On my visit to Kamalacherra ADC Village, out put on formation of road inspected by us was found to be less equivalent to (215 mandays). After giving additional relaxation, you are directed to recover an amount of equivalent to 115 mandays Rs.11,500/- from the I/O for less output. The recovery can be made in 4 equivalent installments from the salary of the I/O.
